Mr. Patrick Van Rossem  
Project Manager  
National Grid  
175 East Old Country Road  
Hicksville, NY 11801

Re: Supplemental Remedial Investigation Report  
Metropolitan Former MGP  
Site #224046

Dear Mr. Van Rossem:

The New York State Department of Environmental Conservation (Department) and the New York State Department of Health (NYSDOH) have reviewed the revised Supplemental Remedial Investigation (SRI) Report for the Former Metropolitan Works MGP site, submitted by AECOM on behalf of National Grid, dated May 11, 2020. Upon review, it has been determined that the revised report has addressed all comments previously discussed. The revised report is hereby approved. Please ensure that copies are sent to all the necessary repositories. Please initiate a Feasibility Study for the site and submit the Feasibility Study Report to the Department within 180 days of receipt of this correspondence.

If you have any questions, please contact me at 518-402-2029 or email: [greta.white@dec.ny.gov](mailto:greta.white@dec.ny.gov).

Sincerely,

Greta White, P.G.  
Project Manager  
Remedial Action Bureau C  
Division of Environmental Remediation
